

# VANESSA & JON

Tied the knot on the 28th  
April 2017 at The Sculpture  
Gallery, Woburn Abbey

When Vanessa relocated to Bedfordshire for her first job after graduating from University; little did she know that a night out with work colleagues would lead to meeting her future husband, Jon. They exchanged telephone numbers and the rest was history.

"We wanted our wedding to have simple but stylish features without anything too over the top," says Vanessa. "So we chose a neutral creamy colour scheme with a hint of pink."

With the wedding ceremony and reception taking place at The Sculpture Gallery at Woburn Abbey, Vanessa and Jon were keen to include their own personal touches. "We created cute white favour boxes filled with chocolates and finished with a wooden love heart with our names and the date of the wedding on – a lovely keepsake for all our guests," explains Vanessa. "Also, I placed a photo of my late Nana and Grandad in a charm which was elegantly wrapped around my bouquet. It meant a lot to have them walking down the aisle with me."

"Our favourite moment was during the ceremony, holding hands and making our life long commitments to one another," says Vanessa.

"We have to thank our photographer, Becky, who was absolutely brilliant and played a huge role in the success of our wedding day. She arrived at the house in the morning and went above and beyond her duties helping out with the bridal preparations. Becky was very professional and captured the day perfectly. We couldn't have asked for anything more and we love every single photo she has taken,"
